

## 2017 REPORT ON COMPENSATION OF CLERGY

### INTRODUCTION

The Commission on Compensation of Clergy was charged with implementing the Mission Statement adopted by the Special Convention of this Diocese on April 29, 1989 to increase compensation of clergy to within the top one-third of the dioceses as measured by the Church Pension Group and to urge adoption of a policy of minimum cost-of-living adjustments for parochial clergy.

Compensation includes cash salary, 1/2 of Self Employment Tax\*, utilities and housing.

\*intended to equal the employer's share of FICA

The 1994 Convention of the Diocese voted to establish a policy of annual minimum cost-of-living adjustments for parochial clergy.

The 1995 Convention of the Diocese voted to change from a guideline system based on 13 categories of Net Disposable Budget Income (NDBI) with ranges for experience to a system of four church groups based on attendance and financial indicators calculated from Parochial Report information.

### NATIONAL LEVEL STATISTICS

The Church Pension Group continues to expand and refine its reporting of information about clergy compensation throughout the Church. The report is now called The (Year) Church Compensation Report.

	<u>2009</u>	<u>2010</u>	<u>2011</u>	<u>2012</u>	<u>2013</u>	<u>2014</u>	<u>2015</u>	<u>2016</u>
National Median	\$67,820	\$69,180	\$70,931	\$71,850	\$73,000	\$74,400	\$75,355	\$76,507
WNY Median	\$59,948	\$61,328	\$61,128	\$66,737	\$64,687	\$65,327	\$68,904	\$77,759

Medians are calculated as of December each year. Our diocesan median may increase or decrease from year to year because different, less highly-paid clergy were resident in December.

If you wish more information on the report, you can download it from <cpgr.org> under Research or call Barbara Northan.

### 2017 EXPERIENCE (based on data for 2017)

Experience for full-time rectors in this 22<sup>nd</sup> year of use is mixed. Three (3) clergy are below, but close to, guideline. Four (4) full-time clergy had increases in % of guideline and two (2) had decreases.

### Changes in Actual Compensation

Four (4) full-time and three (3) part-time clergy received no compensation increase in 2017 according to Church Pension Fund records.
