TOTAL	\$143,271	\$124,385	\$108,201

Part Time Clergy

Part-time clergy compensation is determined by the number of 4-hour units contracted for by the congregation and based on the Group 3 minimum.

A unit is generally a morning, afternoon or evening. For example: Sunday morning = 1 unit; Sunday morning + Wednesday afternoon = 2 units; Sunday morning + Wednesday morning & afternoon = 3 units etc...

Compensation for each unit is \$6,858.70.

For clergy who are retired – the cap on what Church Pension Group allows them to earn is \$37,200. This means that for clergy who are receiving pension, the maximum number of units they can be contracted for is 5 ½. Pension premiums are not required for retired clergy.

For clergy who are not retired a pension assessment of 18% or \$1,234.57/unit will be paid to Church Pension Group. If a clergy person is not participating in the Church Pension Group, it will be paid to the clergy person for retirement investment.

The following is the expectations regarding health insurance:

For 1 – 2 units – no parish contribution towards health insurance. Clergy person may purchase insurance for the Denominational Health Program, but will be responsible for all the premiums.

For 3 or 4 units – parish is responsible for 21% of insurance premium or \$2000 contribution towards health insurance.

For 5 or 6 units – parish is responsible for 42% of insurance premium or \$4000 contribution towards health insurance.

For 7 or 8 units – parish is responsible for 64% of insurance premium or \$6000 contribution towards health insurance.

Part-time clergy are to receive 4 weeks vacation, 2 weeks continuing education leave and \$1000 contribution to continuing education. They are also eligible to accrue sabbatical leave on the same basis as full-time clergy.
